You:

Int: Well, let's begin. What were some of the things you used to do during the week? How often and how long did you do them for?

You:

Int: That sounds marvelous, and did you use to enjoy these activities? Why? or Why not?

You:

Int: You seem like an interesting character. Now what were some other activities you did in school? Did you do anything special?

You:

Int: Thank you very much, I have all the information I need to do some research. I should have some suggestions by the end of the week. Thanks again for your time and see you later.
